QUALITY TIME - fun, educational, challenging

easy set-up, teen to adult, 2-8 players, play one-on-one or in teams

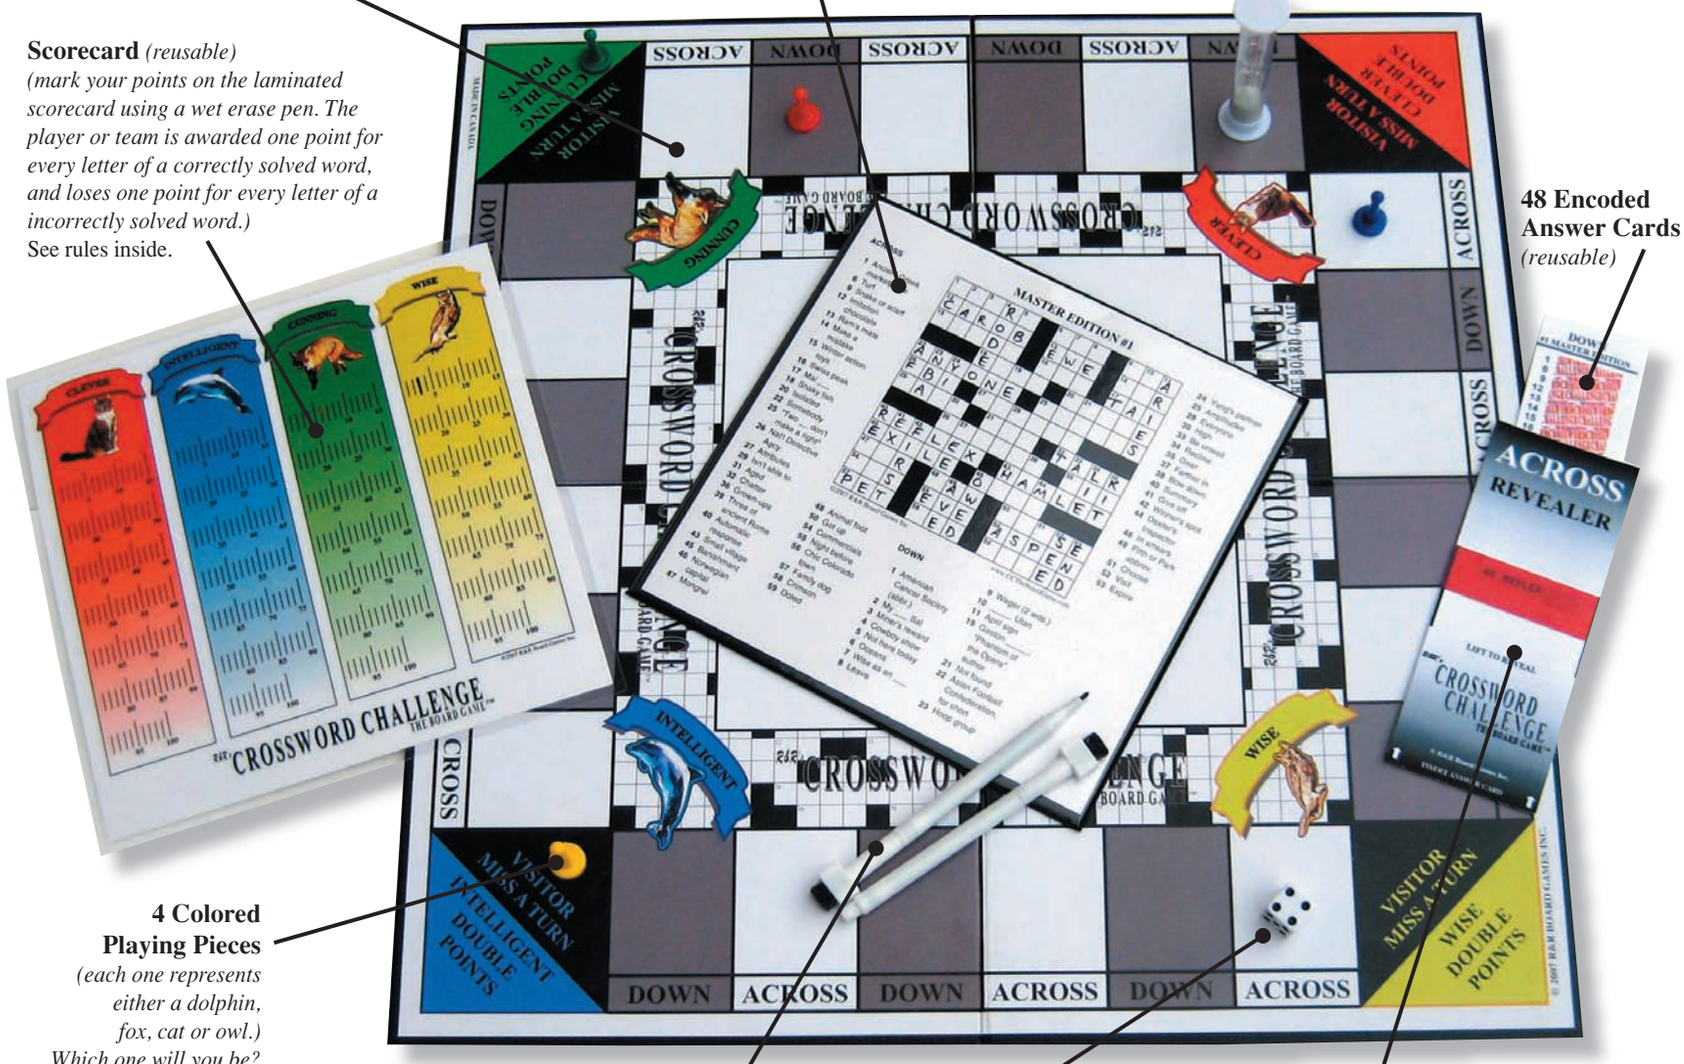
48 Puzzles *(reusable)*
Puzzle Holder *(each puzzle slides into the clear plastic Puzzle Holder which can be rotated to give each player the proper viewing angle.)*

1 Minute Timer *(When landing on a playable space the player or team has 1 minute to solve an across or down word on the puzzle)*

Quad fold board

Scorecard *(reusable)*
(mark your points on the laminated scorecard using a wet erase pen. The player or team is awarded one point for every letter of a correctly solved word, and loses one point for every letter of a incorrectly solved word.)
See rules inside.

48 Encoded Answer Cards *(reusable)*



4 Colored Playing Pieces
(each one represents either a dolphin, fox, cat or owl.)
Which one will you be?

2 Wet Erase Pens *(make it easy to solve words on the puzzle, keep score and correct mistakes.)*

1 Die *(a roll of the die moves your player piece clockwise around the board)*

Revealer *(the Revealer ensures there are no mistakes. After completing a word on the puzzle, the player to your left uses the Revealer to check the answer card for proper word and spelling.)*
Answer cards are readable only when viewed through the Revealer.
