

GSUSA *destinations* Assistance Application

GSUSA *destinations* are opportunities for experiences beyond your circle of family, friends, and Girl Scout troop members for which a girl is selected to attend. Assistance applications should be submitted to the council along with the applications for the ***destinations***.

General Criteria:

1. Financial assistance is provided to ensure that all girls, regardless of their financial situation, are able to participate fully in Girl Scouting. When discussing the subject of financial need with an individual, leaders/advisors and staff are urged to always use extreme tact, concern and confidentiality.
2. Financial assistance is not “earned” whether through product sales or in any other manner. It is provided strictly based on need and the availability of funds.
3. If applicant chooses to attend more than one *destination* in the same year, financial assistance may only be requested for one of the events.
4. Applications for financial assistance will be reviewed and approved or denied by the Council’s Program Director.
5. Applications should be filled out completely.

GSUSA *destinations* assistance guidelines:

6. It is recommended, but not required, that applicant should have participated in at least one of the current year’s council product sales before applying for financial assistance.
7. Girls receiving financial assistance will be requested to make a commitment of one year of membership (either as a girl or adult) and share the *destination* experience with other girls and adult volunteers in Girl Scouts – Diamonds of Arkansas, Oklahoma and Texas Council.
